**ABSOLUTELY NO CLIPPING of hogs will be allowed on show grounds. ALL PIGS PARTICIPATING IN THE NAILE SHOW WILL GO TO MARKET, so pigs should have a minimum hair length of 3/4 inch to facilitate dehairing when the pigs are harvested by the packer. Pigs that cannot be dehaired by the packer due to hair clipped too short will have their purchase price severely discounted.**

14. **Do not remove the paint number on your hog or you will be disqualified. All entries must have a legible paint number when entering showing. Paint brands will be made available.**
15. The Grand Champion and Reserve Champion will sell at auction in the Sale of Champions. Ten (10%) percent of the selling price of the champions will be deducted

for the promotion of the Sale of Champions. An additional ten (10%) percent will also be deducted to be given to Harvest U.S.A.

This would include but is not limited to inspection of the carcass and hide for injection sites that do not conform to typical animal husbandry practices. Any animal with an abnormal carcass or hide due to the injection of air or any other substance in order to alter the conformation or appearance of an animal may be subject to disqualification including loss of premiums, prizes, and awards received. Exhibitors may also be banned from future competition and/or prosecuted pursuant to KRS 246.420

16. **All animals entered in NAILE market hog show are subject to selection for use in the NAILE livestock judging contests. Exhibitors will be notified by show management if their animal was selected. Animals will go to market at completion of livestock judging contests.**
17. Exhibitors will declare weights on market hog entries. The following is the process that will be used to declare weights, number and tattoo market hogs:
  - A. Upon arrival at the NAILE, exhibitors must pick up a weight card for each of their entries. Weight cards will be available on a table outside the Swine Superintendents office.
  - B. Practice scales will be available for exhibitors to use to determine the weight of their market hog. The weight the exhibitor will declare for their market hog **MUST** be written on the weight card. All declared weights must be within the range of 230-290 pounds. (THERE WILL BE ABSOLUTELY NO VARIATION FROM THIS WEIGHT RANGE) All entries will be divided into equal sized classes based on declared weights with approximately 25 animals in each class.

#### **CHECK IN PROCESS- PAINT/TATTOO**

**Beginning at 8:00 a.m. on Saturday, November 4, exhibitors will use the following process to declare weights and check-in thier entries:**

1. **Take each entry's completed weight card to the announcer's table at the showing to get a paint number assigned to each entry by show management (THIS MUST BE DONE BEFORE TAKING MARKET HOGS THROUGH THE CHECK-IN AREA).**
2. **Once a paint number has been recorded on the weight card, exhibitors will bring their completed weight care and their market hog to the designate area where show management will place a paint number and tattoo on the market hog. There will be two paint/tattoo areas; one for purebred entries and one for crossbred entries. Exhibitors must bring a COPY of their YQCA or current PQA Plus Certification Card to the paint/tattoo area and exhibitors of purebred entries MUST also bring their registration papers to paint/tattoo area.**

**All weight cards MUST be turned in and all entries painted and tattooed by 2:00 p.m. on Saturday, November 4.**

18. The gross sale price of the on-foot entries will be based upon the USDA National Live Price (LM-HG203) at the time of the show. The following deductions will be

taken from the gross sale price: Freight from Louisville to Harvest Plant, weight loss from declared weight to plant delivered weight, and mortality insurance. Most major slaughter plants, including the plant in Louisville, no longer accept Show Hogs hence a higher freight bill. Show management will make every attempt to minimize costs to return the most money possible to the exhibitor. A base price will be posted in the swine office at the show.

19. As each class of market hogs is placed, at least the top three (3) placing market hogs will be weighed on official scales by show management before a final placing for the class is determined. Each market hog must be within 15 lbs above or below its declared weight. **If any market hog is out of its weight range, it will be disqualified from the show. The disqualified pig is not eligible for any other on-foot class and will not be reweighed.**
20. **All Breed and Division Champion & Reserve Champion animals will be drug tested. Random animals may also be selected for drug testing. At time of testing Quality Assurance Forms will be available to provide information of any medication given that the animal could test positive for. For additional rules and information please refer to the National Code of Show Ring Ethics in the General Rules starting on page 16.**
